## Cebeline®

- Laminin 5 active fragment
- Restores the mechanical and biological properties of the dermo-epidermal junction

→ CORRECTS FINE LINES

## Blackcurrant

- Reduces bruising: increases capillary strength, improves microcirculation

→ CORRECTES DARK CIRCLES  
(vascular origin)

## Escin extract (Horse Chestnut)

- Decongests: decreases bloodvessels permeability

→ CORRECTS EYE BAGS

**Pigments** → CONCEALS IMPERFECTIONS  
(10%)

# CEBELIA

L.C.E. Regard

Indications

## DAILY USE

- Treat & cover dark circles and eye bags
- Illuminate

## OTHER INDICATIONS

- Little scars and Intervention marks

Tips

1. Gently wash your eye contour (use specific eye contour care like CEBELIA Cleansing Milk)
2. Apply your eye contour cream to hydrate the skin
3. Then, with CEBELIA LCE Regard, apply several dots under the eyes
4. Tap using the pad of the middle finger, never rub
5. Loose powder over your face to set your makeup

To optimize efficacy, use CEBELIA LCE Balm at night and CEBELIA LCE Regard during the day.

Treats and conceals dark circles, eye bags and fine lines for a younger and brighter looking
